

## IMI Level 3 Award in Automotive Refrigerant Handling

Part Number: WPTATTAirCon1

Duration: 1 day

### COURSE OVERVIEW

The 1 day IMI award in "Automotive Refrigerant Handling" has been specifically designed to provide the knowledge, training and qualification necessary to satisfy EU legislation in the mobile air conditioning market.

It is designed for anyone handling refrigerants within the automotive industry including mobile mechanics, garages, body shops, main dealerships and automotive dismantlers.

On completion of this qualification, technicians will hold a valid certificate (attestation) to legally recover F-gas. This training course is also available on-site.
