11318586699

94 mm

OE NUMBER	VERSION	STATUS	DATE
11317797901	Short thread	Dropped / Superseded by 11318586699	From 03.2007 to 12.2013
11318576201	Short thread	Discontinued by BMW, advised to use 11318586699	From 06.2013 to 05.2017
11318586699	Long thread	Latest version	From 08.2014

In accordance with BMW OEM standards, the NAPA kit includes an upgraded version (11318586699) of the timing chain tensioner specifically designed for use with N47 and N57 engines. The inclusion of a longer thread and tighter spring in the tensioner is intended to enhance overall engine performance
